Go **Green** Expo

New York City

Hilton New York, 1335 Avenue of the Americas

\$10 per day, gogreenexpo.com

If you're in town on April 26 or 27, swing by New York City's first Go Green Expo to check out a display of the latest earth-friendly home products and services. There's also an eco-fashion show, a film festival and my favorite part: a sampling of organic food and wine!
