January 4th 2010

It's January. It's 2010. And it's time for Los Angeles to welcome yet again over 250 exhibitors, interactive seminars, educational workshops, an eco-film festival and a green marketplace. In other

words, it's time for the LA Go Green Expo Jan. 22-24

Speakers for this year's conference include Ed Begley Jr., Mariele Hemingway, Sophie Uliano, Linda Loudermilk, [and many more \(http://gogreenexpo.com/events/speaker\\_directory.php?evid=13\)](http://gogreenexpo.com/events/speaker_directory.php?evid=13). [MNN gives us the scoop on admission saying. \(http://www.mnn.com/business/green-office/blogs/la%E2%80%99s-go-green-expo\)](http://www.mnn.com/business/green-office/blogs/la%E2%80%99s-go-green-expo)

*Business buyers can attend the Friday expo at no charge; a business card is all that is needed for admission. The general public can purchase a two-day pass for only \$10 to attend the weekend events. Discounted tickets are available for senior citizens, students and military families (\$5) and children under 12 are free.*

Want more info, [hit the official site here \(http://gogreenexpo.com/\)](http://gogreenexpo.com/). And if you're not in LA Jan. 22-24, no worries! Other Go Green Expo events planned in 2010 include New York City (3/19-3/21), Philadelphia (4/16-4/18), and Atlanta (5/21-5/23).
